“ Sonny Frank was my one of my oldest brother's best friends and I met him when I was still in grade school. I met Shirley right after she and Sonny got married and saw them whenever my family got together in Morton. The last time I saw her was when Sonny brought her to Davis Brothers for pizza with Jim and me. I think it was 2015. We had a good time and Shirley could still exhibit sharp and witty humor, especially when responding to my brother Jim.

I am so sorry for your loss. As you know, I have now lost all three of my brothers and they all loved to spend time with Shirley and Ray (Sonny).
